The Honorable Lynn Jenkins
United States House of Representatives
1027 Longworth House Office Building
Washington, DC 20515

Dear Representative Jenkins:

On behalf of our 128 member hospitals, the Kansas Hospital Association is pleased to support H.R. 4067. This important legislation provides a one-year extension on the non-enforcement of the direct supervision policy for therapeutic services provided in critical access hospitals and rural hospitals with 100 or few beds.

Effective January 1, 2014, the Centers for Medicare and Medicaid Services' decided to not extend its policy to not enforce the direct supervision policy for therapeutic services provided in CAHs and rural hospitals with less than 100 beds. This new policy of enforcement on CAHs and small rural hospitals may limit the hospital's ability to provide their outpatients with basic therapeutic services. These are services that have been provided safely in rural communities throughout the years. H.R. 4067 would provide a much needed delay in enforcement of the direct supervision policy for therapeutic services through 2014.

We are pleased to support your legislation and appreciate your commitment to Kansas hospitals.

Sincerely,
