The Honorable Lynn Jenkins  
United States House of Representatives  
1207 Longworth House Office Building  
Washington, DC 20515

Dear Representative Jenkins,

The National Rural Health Association applauds your leadership in introducing H.R. 4067. This bill will provide for the extension of the enforcement instruction on supervision requirements for outpatient therapeutic services in critical access and small rural hospitals through 2014.

NRHA is a national nonprofit membership organization with more than 21,000 members. Our mission is to provide leadership on rural health issues. NRHA membership is made up of a diverse collection of individuals and organizations, all of whom share the common bond of ensuring all rural communities have access to quality, affordable health care.

NRHA supports your efforts to put a moratorium on the physician supervision of outpatient services requirement at CAHs and small rural hospitals until the end of 2014. If you have further questions, please do not hesitate to call Erin Mahn on my government affairs staff at 202-639-0550 or by e-mail [emahn@nrharural.org](mailto:emahn@nrharural.org).

We thank you for sponsoring this important legislation. You are truly a stalwart champion for rural America.

Sincerely,
